and related media entities

Overview of the crimes:

"BAD GUYS" = Senators Reid and Feinstein, White House staff (Plouffe, Emanuel, Daly, Jarrett, Carney, Gibbs, Rattner, Axelrod, Holder, etc.), Dept. of Energy executives (Chu, Silver, Isakowitz, Cohen, Moniz, Seward, etc.), insider Silicon Valley tech billionaires (Musk, Page, Jurvetson, Westly, Steyer, Schmidt, Draper, Perkins, Khosla, etc.) and bankers including Goldman Sachs, Wells Fargo, Deutsche Bank and others.

WHAT THEY DID: They used Google and Gawker Media to attack witnesses, destroy competitors and rig the news in their favor while exploiting illicit off-shore mining and stock market crony corruption deals. The only "Green" thing they were interested in was the cash! They had "hard-wired" the DOE and TARP money, in advance, for the campaign financiers and simply used/defrauded the non-crony applicants as a smoke-screen to hide their scam while monopolizing markets in a scheme agreed to with Rahm Emanuel, David Axelrod, David Plouffe and their Cartel.

WHY ARE WE DOING THIS?: None of the criminals have yet been brought to Justice! Through over-whelming transparency and evidence aggregation, this project seeks to document the crimes, on public record, on a permanent basis; and, without breaking a single law, terminate the corrupt and their corruption. It is the intent of the victims to, either, sue each and every suspect or acquire resolution from the government agencies involved. The suspects belong in prison!

=====

The definition of "politics" is: "The process in which a man fights with another man to see which man, and his friends, will get to put your tax money in their pockets."

=====

New Cleantech Crash Crimes corruption evidence, different from Wleaks and Panama Papers, has been added to the repository at:
