

Some politicians, and their Silicon Valley financiers, will do ANYTHING including lying, bribery, cheating and murder, in order to try to get hold of the trillions of taxpayer dollars in the Treasury and the hundreds of trillions of dollars moving through manipulated stock markets that they have access to. They live in mansions, buy jets and islands, have movie star parties every weekend, and have sex workers and drugs delivered to them constantly. They are addicted to this corruption and they will do ANYTHING to keep it going.
